ACTIVE LIVING WITH CHRONIC CONDITIONS  
begins the week of  
MAY 9th - JUNE 13th

Do you have an ongoing health condition, such as arthritis, diabetes, high blood pressure, stroke, asthma, heart disease, chronic pain, cancer, depression or any other condition that affects your daily life?

NO COMPUTER NEEDED  
At home participation includes a weekly call from a trained coach.

This “do at home at your own pace” program will help you learn:

- New ways to solve problems
- How to manage your symptoms
- How to set and achieve goals
- How to work with your doctor
