EARLY CHILDHOOD

For more information, please contact Cierra Bekich, cbekich@jccpgh.org or 412-278-1786.

EARLY CHILDHOOD DEVELOPMENT CENTER

Children grow and thrive in a program enriched with language, reading, math, science, art, music and fun. We believe that discovery and play are young children's most important "work," preparing them for the academic and life challenges ahead.

Our Approach

ECDC's approach to early learning is inspired by the ideas and practices developed in Reggio Emilia, Italy, for the education of young children. This program—based on the principles of respect, responsibility and community through exploration and discovery in a supportive and enriching environment—resonates with the JCC mission. ECDC's curriculum recognizes each child's voice and strives to provide a beautiful environment, small groups for children to do their work, and access to a wide variety of learning materials.

Our Core Beliefs and Values

- Children are constructivist learners
- Early Childhood educators are professionals
- Our families are our partners
- Our environment is an inspiration for inquiry

Our Educators Make the Difference

Our talented and dedicated teaching team is committed to ensuring each child's happiness, safety and development. It is our priority to employ experienced and creative educators who meet our high standards and reflect our value of lifelong learning. Our educators work together as a team to ensure children are engaged in daily, meaningful exploration with one another.

Physical education, music, the arts, Jewish culture and nature are integrated into a child's day. Skilled JCC specialists offer additional opportunities for ECDC children to develop new skills in aquatics, sports and dance.

What makes ECDC special

- Values-based exploration of Jewish holidays and customs through a culturally competent lens in every classroom
- A dedicated studio space for the creative arts
- Daily gross motor play in our double-court gymnasium
- Two fenced-in developmentally appropriate playgrounds
- Backyard access to The Scott Conservancy
- Enrichment classes available, taught by skilled JCC specialists throughout the school day in dance, sports and aquatics

Become a Project UPstander Volunteer

An UPstander is a person who could be a bystander, yet when the opportunity presents itself, decides to stand UP for a neighbor. UPstanders are community members who provide acknowledgment, understanding and support for neighbors facing challenges as a result of hateful acts, natural disasters, violence, or intolerance that threaten the integrity of their community.

The way it works:

- When a need presents itself, JCC's Center for Loving Kindness sends out an email alert announcing the UPstander volunteer opportunity.
- Each opportunity is stand-alone— we are grateful for the role you play at any time, with no commitment to volunteer on a regular basis.

UPstanders have:

- Registered Hill District neighbors for COVID vaccines
- Hosted COVID vaccine clinics
- Planted vegetable gardens in East Liberty
- Distributed non-partisan voting information
- Cooked for new Afghan neighbors
- Supported a Christmas Open House gathering in Wilkinsburg
