Cardio HIIT

Cardio Hiit is a high-intensity interval training (HiIT) workout that uses a step, dynamic bodyweight exercises and light weights to improve power and increase strength and cardio endurance.

Core Conditioning

This low-impact class will help you strengthen your core muscles and improve your posture and movement using a variety of equipment and your own bodyweight.

Group Active

Get all the fitness you need—cardio, strength, balance and flexibility—in just one hour. With inspiring music, adjustable dumbbells and body weight exercises and simple athletic movements, this class is for everyone.

Functional conditioning

Start your day with a full body workout including a dynamic warm-up, functional exercises, and a calming cooldown. Utilizing exercises that have a strong carry over to your daily life, so you feel strong and confident!

Group Centergy

A 60-minute journey that combines yoga and Pilates, enabling you to center your energy and relieve stress.

Group Power

This 60-minute barbell program strengthens all your major muscles in an inspiring, motivating group environment with fantastic music and awesome instructors. Group Power is for all ages and fitness levels.

Gentle Yoga

Appropriate for all levels and abilities, this class incorporates yoga poses and gentle stretching.

Yoga

This class is based in the Hatha Yoga style and incorporates yoga poses and flow.

Barbell boom

Experience a dynamic warm-up that primes your body to successfully navigate strengthening barbell movements to create a foundation of functional strength. Ending with a relaxing cooldown routine to ensure you walk out feeling accomplished and refreshed!

Centergy 101:

A perfect combination of Pilates and Yoga designed to create long, lean muscles, increase mobility and flexibility, strengthen your core and improve posture, this class is perfect for anyone new to Centergy or looking to perfect their form.

DEKA Classes

The DEKA Training System consists of weekly workouts in three different formats to cover the three pillars of fitness. Each classes uses 10 zones of strength and cardio stations, but with different work/rest intervals. Doing each format each week help you train with a purpose.

Classes are designed for all ages with modifications available.

DEKA Forge (Strength and Power)

A Forge class is where you will build lean muscle. This circuit is 30 seconds work/30 seconds rest.

DEKA Burn (Anaerobic Conditioning)

This is your time to sweat and burn calories. The Burn circuit is 60 seconds work/30 seconds rest.

DEKA Grit- (Endurance/Stamina)

Build Grit and train to go longer, farther, and faster. The Grit circuit is 90 seconds work/30 seconds rest.
