The DEKA Training System consists of weekly workouts in three different formats to cover the three pillars of fitness. Each class uses 10 zones of strength and cardio stations, but with different work/rest intervals. Doing each format each week helps you train with a purpose.

Classes are designed for all ages with modifications available.

A Forge class is where you will build lean muscle. This circuit is 30 seconds work/30 seconds rest.

### DEKA Burn (Anaerobic Conditioning)

This is your time to sweat and burn calories. The Burn circuit is 60 seconds work/30 seconds rest.

### DEKA Grit- (Endurance/Stamina)

Build Grit and train to go longer, farther, and faster. The Grit circuit is 90 seconds work/30 seconds rest.
